Winn's latest performance polymer material provides amazing non slip performance.
Performs great in both wet weather and dry conditions.
Provides a tacky and responsive feel.

WG0070 WINN LITE FIRM BLACK

WG0071 WINN LITE FIRM WHITE

WinnLite grip technology lightens club weight for faster swing speed and increased distance by shifting the club's balance point downward. The WinnLite Firm grip series uses Polycord material for a firm, responsive feel demanded by high performance players.
