

# SHORTGOLF COACHING

The perfect transition into golf, ShortGolf is a great coaching tool to get kids excited about golf and to learn the basic techniques and skills in a fun and accessible way.

Fully endorsed by the PGA Tour, ShortGolf can be played safely indoors or out and on any surface, making it an engaging all year round pursuit.

ShortGolf features two club types, sticky targets and larger balls for ease of use, but with the same weight as a normal golf ball to mimic the feel of the real game.

Coaching kits include everything needed to teach a group and supplied training materials help with course structure.

# ShortGolf Coaching Kit

Ideal for teaching golf

ShortGolf® is a fun and exciting game and a proven successful coaching system. It can be used to teach the fundamentals and how to play the four ShortGolf® shots – putt, chip, pitch and full shot - together with fun drills and games to help develop golf skills.

ShortGolf® is inherently safe and can be taught and played on any surface both in and out of doors. It is suitable for all ages and abilities.
