Pitchfix.

THE ORIGINAL GOLF ACCESSORY
BRAND FOR YOUR BUSINESS.

Welcome to our new 24/25 range and welcome to Pitchfix Flex.

We've developed our best range yet, of customizable golf accessories, designed by golfers, for golfers to be used by businesses and venues to retail and gift, and promote their logo.

Our new Flex range provides more opportunity to create individual tools, ranges, and gifts unique to your business

Our new designs are different, with our best ever customization options... but many things remain the same.

- great quality
- awesome style
- brilliant branding options

Pitchfix Flex; same same... but different.

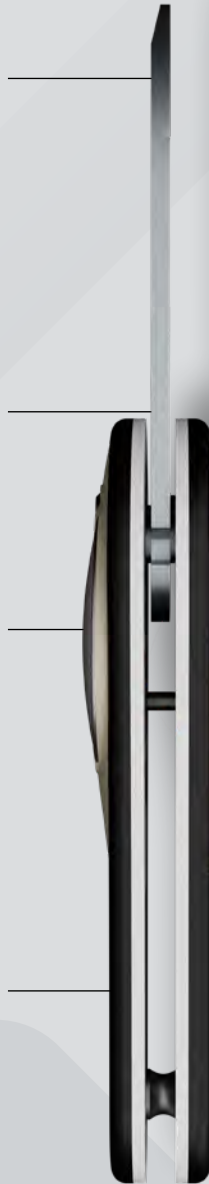

Every Pitchfix tool is equipped with a tough alloy blade that's durable and strong to repair ballmarks with optimized efficiency with minimal damage to the green.

Our iconic tools are pioneers of the reliable switch blade action. A compact tool when closed, and the reassuringly firm blade release enables fast and clean repair.

Every Pitchfix tool contains a brand-able ball marker that can be interchanged with any tool in our range or any ball marker.

Easy to hold, grip and use, our robust, customizable body shells are strong and stylish.

THE KING OF TOOLS.

Often our tools receive awards from leading authorities of the game, but the best endorsement of our status are the events, venues and businesses who trust us with their brands.

We design tools that look great and perform reliably every time. We've allied this with a network of world class distributors and stockists who share the same beliefs that function and form can combine to create the epitome of the perfect golf tool.

RETAIL

Create a counter top display for your golf store that adds vital revenue from a brand that customers will instantly recognize.

RESORT

Provide your patrons with the opportunity to buy a useful and stylish memento from their visit to your venue.

SOCIETY

As a member's reward or an event gift - add your society logo to our tools to create a unique reminder of your society.

TRAVEL & HOSPITALITY

Enhance your tour with a commemorative branded gift to create a special reminder of a memorable trip.

CORPORATE

Align your company with a golf brand that won't let you down, on or off the course.

SPONSORSHIP

As an event sponsor, promote your brand, by designing a tool that literally puts your brand into the hands of your audience, every time they play golf.

Tools for all of golf.

Whatever your taste and whatever your requirements our range of tools has something for everyone.

BE PREPARED

Unlike many golf gifts, a Pitchfix repair tool is as valuable to a low handicapper as it is to a high handicapper.

Old and young, male and female, good or improving - a Pitchfix repair tool is the perfect accessory for any golfer.
