

An aerial photograph of a golf course. The central focus is a large, vibrant green fairway. To the right, there is a large, irregularly shaped sand trap with a light brown, textured surface. The surrounding area includes lush green grass, some trees, and a small body of water in the bottom left corner. The overall scene is bright and clear, suggesting a sunny day.

JUNIOR PUTTERS

SLA PUTTER

MKIDS - AVAILABLE IN ALL PLAYER HEIGHTS

MKids Putters are designed to suit all young golfers. The SLA suits a 'slight arc' putting stroke and is beautifully designed featuring steel shafts and a proprietary MKLITE and MKPRO grip offering accuracy and stability.

Junior golfers who putt using a slight arc will benefit from the SLA putter as it will naturally match their motions during swing and impact.

Colour coordinated grips to compliment the full MKids age and height specific range.

SLA SQ2 PUTTER

MKIDS - AVAILABLE IN ALL PLAYER HEIGHTS

JUNIOR PUTTER

FUTURE - AVAILABLE IN ALL PLAYER HEIGHTS

MKids Putters are designed to suit all young golfers. The SQ2 suits junior players who need support with their putting stroke and is beautifully designed featuring steel shafts and a proprietary coloured grips offering accuracy and stability.

The mallet style shape gives control and stability for Junior players, whilst providing more forgiveness on direction and roll due to the weight distribution.

Colour coordinated grips to compliment the full MKids age and height specific range.

MKLITE STANDBAGS

MKIDS - PROGRESSIVE SIZES

JUNIOR BAGS

MKids have used a lightweight, high denier material to ensure durability. A multiple pocket layout maximises storage space for all the essentials you need to carry around during your round.

To provide a comfortable carry MKids have provided a dual carry strap design that spreads the weight across your shoulders to reduce fatigue and injury.

MKLITE STANDBAGS

MKIDS - PROGRESSIVE SIZES

MKPRO STANDBAGS

MKIDS - PROGRESSIVE SIZES

Dual carry strap

A dual carry strap spreads the weight evenly across both shoulders, helping to prevent muscle injury and fatigue.

Durable

Constructed from the latest high denier fabric, to ensure durability, the MKLite stand bag focuses on design, function and form.

MKids have used a lightweight, high denier material to ensure durability. A multiple pocket layout maximises storage space for all the essentials you need to carry around during your round.

To provide a comfortable carry MKids have provided a dual carry strap design that spreads the weight across your shoulders to reduce fatigue and injury.

The top design used on the MKids Pro Stand Bag will provide ample room for a full set of clubs.
