### **B30M NIGHT FLYER GOLF BALLS**

**These L.E.D. constant illumination Golf Ball sets a new standard in Night Golf Play.**

4 Assorted colours per pack.

Besides being official weight and size, the Night Flyer Constant On Golf Ball is a very sophisticated piece of equipment designed to light-up upon sensing a strong impact. Once activated, the built in computerised timer will keep the ball illuminated for 8-10 minutes after which the switch will automatically turn off the light to preserve battery life unless the ball receives another firm impact. Anytime the computer senses a strong impact the timer will be reset to zero and restart the 8-10 minute light-up period. Batteries in each ball are sealed and are NOT replaceable

**Make Night Flyer 10" Glowing Yardage Markers (25 Pack) your go to item for night golf.**

Each pack of 25 yardage markers is sure to set the scene for your night golf game. Simply crack and shake to activate and then place. Night Flyer glowing yardage markers will glow for 4-6 hours.

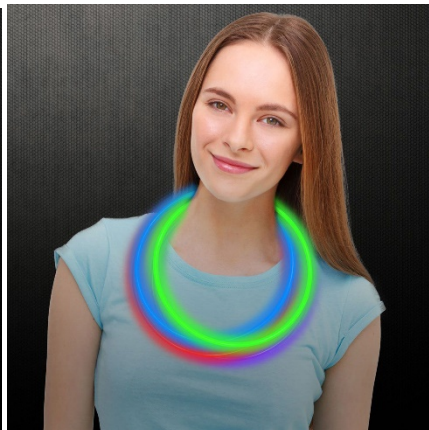

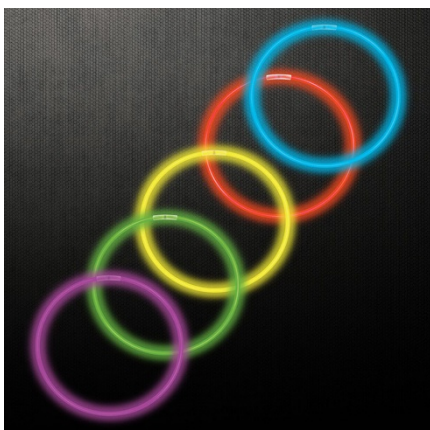

**B32H NIGHT FLYER REUSABLE TEE BOX MARKERS**

Night Flyer LED Tee box marker makes it easy to tee off at your night golf game.

Each LED tee box marker features several different light settings including a color changing setting and single and combination color settings. Batteries are included, installed and can be replaced.

The LED Tee Box Marker is a giant, plastic, light-up "golf ball." The tee that is included does not light-up. It is just a plastic tee. You can use them to mark the tee, but switch out the giant golf ball for the smaller LED golf balls that are used to play.

**B32C NIGHT FLYER SUPREME GLOW NECKLACE x 50**

Be colorful at night golf events when you use the Night Flyer variety pack of glow necklaces.

Each pack contains an assortment of the best colors into a tube of 50 glow necklaces. Crack and shake to activate and hand them out to fellow players for lots of glowing fun at your golfing event
