

Glow FLyer Golf Ball (with a 1 1/2" Jumbo Lightstick) for night golf couldn't be more fun.

B30F = replacement pack of 50 light sticks

It plays just like a regular golf ball and uses a jumbo 1.5" glow stick for extra brightness. Glow golf balls even float. They're popular for Night Time Miniature Golf, Night Golf Tournament Events and anyone who wants in on Night Golf. Glow Flyer Golf Balls come packed with one Jumbo Mini Lightstick. Replacement light sticks come in five

B30M NIGHT FLYER GOLF BALLS

These L.E.D. constant illumination Golf Ball sets a new standard in Night Golf Play.

4 Assorted colours per pack.

Besides being official weight and size, the Night Flyer Constant On Golf Ball is a very sophisticated piece of equipment designed to light-up upon sensing a strong impact. Once activated, the built in computerised timer will keep the ball illuminated for 8-10 minutes after which the switch will automatically turn off the light to preserve battery life unless the ball receives another firm impact. Anytime the computer senses a strong impact the timer will be reset to zero and restart the 8-10 minute light-up period. Batteries in each ball are sealed and are NOT replaceable

B31 PW 12 BALLS WHITE

Anytime the computer senses a strong impact the timer will be reset to zero and restart the 8-10 minute light-up period. Batteries in each ball are
