

An aerial photograph of a golf course. A large, well-maintained green is the central focus, with a golf trolley parked on it. To the right of the green is a large, irregularly shaped bunker filled with light-colored sand. The surrounding area includes lush green grass, trees, and a dark water hazard at the bottom of the frame. The lighting suggests a bright, sunny day.

Lightweight aluminium frame with quick release wheels that can be easily removed for compact storage.

icart

GOLF 5 SERIES

MASTERS - 3-WHEEL PUSH TROLLEY

A best seller and a popular trolley on the course. The 5 Series 3 wheel push cart has a sturdy yet lightweight aluminium frame capable of carrying the heaviest of bags whilst still remaining manoeuvrable. Features a base unit for an umbrella holder and accessory pouch for storing balls.

 MASTERS GOLF

GOLF 5 SERIES

MASTERS - 3-WHEEL PUSH TROLLEY

Fast folding system

Compact when collapsed making transportation and storage easy. The lightweight aluminium frame folds down in seconds.

Adjustable height

Making it easy to store in the garage or the boot of your car. Also features a drinks holder to store your water bottle for quick access when playing.

 MASTERS GOLF

GOLF 5 SERIES

MASTERS - 2-WHEEL PUSH TROLLEY

Tried and tested. The 5 Series pull cart has a sturdy yet lightweight aluminium frame and collapses down for ease of transport & storage. Also features a universal base fitment to fit most golf bag designs.

 MASTERS GOLF

GOLF 5 SERIES

MASTERS - 2-WHEEL PUSH TROLLEY

Fast folding system

The 5 Series Compact easily folds away to take up minimal space for the journey to and from the course with easier manoeuvrability.

Seriously compact

The lightweight aluminium frame (at just 2.7kg) folds into 58 x 31 x 30cm making this pull trolley one of the smallest on the market when folded.

 MASTERS GOLF

GOLF 3 SERIES

MASTERS - 2-WHEEL COMPACT PULL TROLLEY

Tried and tested. The 3 Series pull cart has a sturdy yet lightweight aluminium frame and collapses down for ease of transport & storage. Also features a universal base fitment to fit most golf bag designs.

MASTERS - 3-WHEEL PUSH TROLLEY

GOLF 5 SERIES JUNIOR

MASTERS - 3-WHEEL PUSH TROLLEY

Adjustable height handle

The trolley has adjustable height to fit equipment perfectly, including a scorecard holders and umbrella mount.

Fast folding system

Compact when collapsed making transportation and storage easy. The lightweight aluminium frame folds down in seconds.

The 5 Series Junior 3 Wheel Cart is an ideal starter for aspiring players. The adjustable handle ensures it will fit from tyke to teen to make pushing it a breeze. Multi-feature scorecard holder and quick release wheels make this a course favourite.

GOLF 5 SERIES JUNIOR

MASTERS - 3-WHEEL PUSH TROLLEY

GOLF 1 SERIES JUNIOR

MASTERS - 2-WHEEL PUSH TROLLEY

Comfortable & adjustable

Two-handed soft touch handle and height adjustable handle and bag bracket, perfect for Junior players.

Stand bag support

Bag holder is suitable for both trolley and stand bags with mouldings designed to accept stand bag mechanisms.

The 1 Series Junior Trolley manoeuvres comfortably thanks to its ergonomic handle. The unique design of the back bracket allows it to carry either a stand or cart bag with comfort.

GOLF 1 SERIES JUNIOR

MASTERS - 2-WHEEL PUSH TROLLEY

UMBRELLA

MASTERS

Height adjustable handle

An adjustable height handle and adjustable stand bag friendly bag bracket allow you to find the best size for ease of use.

Stand bag support

Bag holder is suitable for both trolley and stand bags with mouldings designed to accept stand bag mechanisms.

Umbrella Holder

For universal fitment

Durable and stable umbrella holder which fixes your umbrella in place for protection against sunshine or rain. The holder is widely suitable for most 3 or 4 wheel golf trolleys and comes with a universal fitment.

Umbrella Holder Extender

Equipment protection

This extension simply slides into the existing Masters Golf and iCart umbrella holders and offers taller players increased visibility on the golf course. Umbrellas can be secured with a simple twist of a screw attachment.
